

Mihir Inamdar

Deep Learning Intern

"Innovative and Entrepreneurially-minded Deep Learning Intern"

Education

2020-04 - Current **B.E: Information Technology**
Pune Institute of Computer Technology - Pune
First Year CGPA:
8.68 / 10.00
(Hons.) Data Science 2022 -24

Certifications

2021-12 Fundamentals of Deep Learning (DLI-C-FX-01) - NVIDIA DLI
2021-02 Private Equity and Venture Capital -Università Bocconi
2021-11 Data Science and Machine Learning using Python - iHUB
DivyaSampark IIT Roorkee

Accomplishments

- Student Delegate for ESummit'2021 & 2022, IIT Bombay.
- Student Delegate for Young Leaders Summit 2022 - IIM Bangalore
- Design Team Lead for Xenia'21 - PICT CSI Student Chapter

Affiliations

Member of Leader's Excellence, Harvard Square
Member of India Leadership Network
Member of Angel Investors Network

Projects

Hands-on Experience:

- **Tweet Emotion Recognition with TensorFlow - Coursera**
Skills Used : Python, Keras and Tensorflow, NLP and Basic Machine Learning Concepts
- **Language Detection using NLP:**
Skills used: Python, Sklearn, Tensorflow, Keras and LogisticRegression Model
- **Semantic Segmentation using Amazon Sagemaker - Coursera**
Skills Used: Python, Tensorflow, Amazon Sagemaker
